

Blue Ribbon Commission on Community Services and Facilities

Final Report

Our Work

- ▶ **Consistent with Charge from Board of Selectmen**
 - ▶ Reviewed existing reports and studies
 - ▶ Considered prior proposals
 - ▶ Interviewed town and school staff, consultants, engineers, local organizations and other town committees
 - ▶ Invited public input at all meetings and at two public hearings
 - ▶ Toured town and school facilities
 - ▶ Solicited offers of land and/or facilities in the vicinity of town hall

Final Report

- ▶ Tried to separate issues of concern, areas for consideration and wants - from needs
- ▶ Study of information shows it is difficult – if not impossible – to predict needs far into the future
- ▶ BRC's View of Need – Area that should be addressed to adequately provide current services/programs or near term services/programs
- ▶ Not all “space” is appropriate

Recommended Needs

- ▶ Develop an indoor gymnasium for use by the Recreation Department on or adjacent to existing school land.
- ▶ Rehabilitate the soccer field at Playground Drive
- ▶ Move the location of the Moultonborough Visiting Nurses Association (MVNA) and Human Services Department to the current Recreation Department facility to address confidentiality and space concerns
- ▶ Establish a Human Services Information Team and establish a Human Services webpage to provide information on services available to the public
- ▶ Construct dividers and other equipment changes at the Lion's Club to improve the flexibility of uses of the existing facility.
- ▶ Other Issues
 - ▶ Health Care Task Force
